

Parent Agreement Form: CSA Suzuki String Lesson Program

Missed lessons

Students are expected to attend all lessons. The School has a no make-up policy: If a student misses a lesson or class, Community School of the Arts will not issue a refund, and instructors are not required to teach make-up lessons. If a class or lesson is cancelled due to weather, instructor illness or instructor emergency, the instructor will schedule a make-up lesson at no cost. A partial refund is available if the student withdraws before the third lesson of the semester. After the third lesson, no refunds will be given.

Weather cancellation

CSA follows the Charlotte Mecklenburg Schools closing policy for inclement weather. In the event of bad weather, parents should check local television and radio stations to determine whether CMS schools are closed or open. Cancellations will be posted on our website: www.csarts.org, and we encourage parents to be in touch with instructors during inclement weather events. Under no circumstances should parents or students travel in dangerous conditions to reach a lesson.

Instruments, music and materials

Students are expected to bring their instruments and all required materials to every lesson, as requested by the instructor. Instructors are not expected to provide any materials that the student did not bring for the lesson that day.

Expectations of parents

CSA asks all families to show respect for our instructors by arriving early for lessons and fostering a calm, professional atmosphere that is conducive to learning. Suzuki parents are expected to attend and participate in lessons as requested by their instructors. Please be sure there are no disruptions to the lesson from siblings, cell phones, pets or guests.
