

Charlotte Youth Choir: Assistant Director

About the Charlotte Youth Choir and Arts+

Formerly the Charlotte Children's Choir, CYC was founded in 1986 to provide education and performance opportunities for boys and girls in the Charlotte metro area. Thousands of students across the Charlotte region have benefitted from singing with CYC - experiencing new music and styles, building a connected community, and learning what it means to be an excellent musician and student.

Founded in 1969, Arts+ is a music and visual art nonprofit organization that envisions the transformative impact of arts education illuminating every corner of the Charlotte region. Its goal is to make outstanding arts education available to students of all ages, skill levels and socioeconomic backgrounds. From private lessons to summer camps to community outreach programs, Arts+ strives to help each student unlock their full potential through the power of arts education.
