We are Arts+, and our **mission is to unleash creativity, transform lives, and build community through outstanding and accessible arts education**. We were founded as Community School of the Arts in 1969 by Henry Bridges and have been bringing arts education to the Charlotte area for over 55 years.

We offer instruction in music and visual art for both children and adults that is designed to provide access to outstanding arts education plus all the benefits it brings. Each year, we are proud to deliver high-quality arts education to thousands of students. As a result of our extensive outreach programs, financial aid, community partnerships, and supporters, over 60% of our students receive their education for free or at a reduced cost.

Sponsoring the 5th Anniversary Night of Jazz in 2027 is an opportunity to celebrate five years of bringing our community together through music at Middle C Jazz while supporting access to arts education and creative opportunities. As a sponsor, you'll enjoy tickets to this special evening for yourself, family, friends, or clients and receive meaningful recognition for your investment in the arts and our community.
