You will need the following materials:

- Hole punch
- Ribbon, thread, or yarn
- Scissors
- Stickers, fake gems (optional)

### Brief project description:

Create an Egyptian neck collar using a paper plate!

## Steps

• **#1:** Cut your paper plate in half. Once you have a semi-circle, cut out the middle portion of the plate in order to make a thick “u” shape that resembles a necklace or collar.

• **#2:** Decorate your collar with repeating patterns using crayons, markers, or paint. Think about color combinations and different types of shapes or marks you can make. Cover the entire plate with colors!

• **#3:** If you have additional materials, such as stickers or fake gems, attach them to your collar. You can also color both sides to make it reversible!

• **#4:** Punch a hole on each side of the collar using your hole punch .

• **#5:** Attach your ribbon, thread, or yarn through the holes. Now your Egyptian collar is ready to wear!
