

COVID-19 Protocols

Arts+

version: August 24, 2021

*If the teacher, student or anyone in the student's immediate contact circle (friends, family, coworkers) display any Covid-19 symptoms or are exposed to someone who has tested positive for Covid-19, then **the you must opt for virtual (if available)** until the quarantine window recommended by your physician has passed or a Covid-19 test has come back with negative results. **Please inform Arts+ staff immediately if you are symptomatic with or exposed to someone with Covid.***

1. **Masks are to be worn inside any Arts+ or partner organization spaces by all adults and children (age 2 and over), regardless of their vaccination status.**
 - a. *Masks are not required during outdoor activities, but are optional if you choose.*

2. **Social distancing of 3 feet** is to occur with anyone not in your family unit.

3. **High touch points will be sanitized frequently** between each class and at the end of each day (door knobs, piano keys, music stand, chair, and other points of contact).
 - a. *Disinfectant wipes/spray will be certified to meet [EPA standards](#) for use against SARS-CoV-2. Arts+ provided disinfectants meet these standards.*
