

In-Person Classes COVID-19 Protocols

- If the teacher, student or anyone in the student's immediate contact circle (friends, family, coworkers) display any COVID-19 symptoms or are exposed to someone who has tested positive for COVID-19, then you must opt for virtual until symptoms have passed or a COVID-19 test has come back with negative results.
- Upon arrival, all teachers and class participants must complete a Health Screening Survey Form.
- Upon arrival, all teachers and class participants must have a temperature check with our touchless thermometers and not have a temperature above 99°.
- Masks are to be worn at all times.
 - This includes for singing activities.
 - Wind instrument players may remove their mask only to play. Both instructor and student should avoid playing at the same time. Maintain social distancing in the studio space.
- Social distancing of 6 feet from anyone not in your family unit is required.
- High touch points will be sanitized between each class and at the end of each day (door knobs, piano keys, music stand, chair, and other points of contact). Disinfectant wipes/spray will be certified to meet EPA standards for use against SARS-CoV-2. Arts+ provided disinfectants meet these standards.

Arts+ closely monitors guidelines from the CDC and the NC Department of Health and Human Services and will adjust protocols accordingly.
